

"He says I'm a good skate"

—Chesterfield

A REAL pal—that's Chesterfield. Look at its record. Three million smokers—less than five years on the market! Two words explain it—"They Satisfy."

Our expert buyers in the Orient select for Chesterfields only the finest grade of the four choicest varieties of Turkish tobacco. To these are added the best of mild but full-bodied Domestic leaf.

But, in the end, it's the blend that makes Chesterfields "satisfy." And the blend—our private formula—cannot be copied.

Extra wrapper of moisture-proof paper seals in the flavor.

Suffered For Fifteen Years

NOTHING DID HIM ANY GOOD
TILL HE TOOK TANLAC—IN
FINE SHAPE, NOW.

"When I started on Tanlac I had rheumatism so bad that it would keep me in bed for days at a time," said James A. Cornett, of 3356 Grand Ave., Omaha, Neb.

"The fact is," he continued, "I had not been a well man in fifteen years, and although I spent over a thousand dollars trying to get well I never found a thing to relieve me until I got hold of Tanlac. My appetite was poor and my stomach got so weak that for three years I lived on nothing but milk and a light cereal. I was constipated nearly all the time and my head ached constantly, dizzy spells would come on me and I'd get so weak and exhausted I could hardly walk. Rheumatism got its grip on me and my shoulders, hips and knees would ache so at times that I just had to give up and take to my bed. I fell off twenty-five pounds and had so little strength and energy that I wasn't fit to do a lick of work."

"I heard so much about the way Tanlac was helping others that I got me a bottle and before I had used up half of it my appetite picked up and I would get so hungry I could hardly wait for meal time to come. My nerves soon quieted down, I am not constipated any more and all those aches and pains that I suffered from for so long have completely disappeared and I am now taking on weight. Tanlac certainly straightened me out something wonderful and I am feeling strong enough to go back to work again."

Tanlac is sold in Dakota City by Neiswanger Pharmacy, in South Sioux City by Shane's Pharmacy, and in Homer by Wagner's Pharmacy.
